TO

VOLUME THE SIXTH.

A

PAGE.

Abernethy, Mr., Surgical Lectures at St. Bartholomew's.... 1, 33, 65, 97, 129, 161, 225, 257, 289, 321, 353, 393.
——— The Lancet, and the London Medical Humbug, strictures on 21
——— and his Chancery Application, remarks on..... 59, 89
Absorbents, irritation of the, described 65
——— cases illustrative of.. 66
——— treatment of..... 67
Ancle joint, swelling of the, and operation for cure of 219
Aneurism, spontaneous cure of.. 152
——— of the subclavian artery, case of 286
——— of the aorta, case of.. 376
Arm, inflammation of, from bloodletting, case of 413
Armstrong, Dr., Lectures on the Principles and Practice of Physic..39, 70, 104, 136, 166, 232, 262, 359, 397.
Axilla, tumour of the, case of.... 350

B

Bakers' bread, on the hurtful influence of..... 214, 319
Beck's Elements of Medical Jurisprudence, review of 172
Belladonna, its value in scarlet fever, paper on..... 409
Best, Chief Justice, *one-sided* charge in the trial of Tyrrell *v.* The Lancet *318
—— remarks on, by the Editor *324
Black's Student's Manual, review of..... 294

PAGE.

Bladder, irritable, its nature and treatment 322, 392
——— inflammation of, described 397
——— symptoms of, acute and subacute 399
——— morbid appearances of 400
——— treatment of.. 401
Blundell's Physiological Researches, review of 6
Boyle on Moxa, review of 268
Brain fever, produced by drunkenness, or delirium tremens .. 42
——— remote cause of, explained ..... ib.
——— symptoms of, their varieties..... ib.
—— pathology of..... 43
——— its diagnosis described ..... ib.
——— how distinguishable from inflammation of the brain ib.
——— treatment of..... 44
——— cases illustrative of 46
——— its prognosis..... ib.
Brain, concussion of the, case of.. 251
——— hypertrophy of, observations on 376
—— pathological anatomy of, and observations on..... 377
—— ulcer on the, case of ..... ib.
Brougham's, Mr., masterly speech and cut up of Simon Pure.... *306
Bronchitis, its nature and character 104
——— exciting causes of, explained ..... ib.
——— common symptoms of.. ib.
——— morbid anatomy of.... 106
——— diagnostic symptoms of, 100, 141.

162408

PAGE.

Bronchitis, treatment of..... 107
Bubo phagedænic, described.... 166
Buboes, their nature and character described..... 257
——— indolent, described.... ib.
Burns and scalds, their nature, &c. 225
——— treatment of.... 226
Burn, followed by great cerebral excitement, case of..... 254

C

Cancer on the lip, case of..... 156
Canine madness, letter on..... 342
Carotid artery, wound of, cured by ice and digitalis, case of .. 210
Castorine, analysis of 59
Catarrh, common, described.... 70
Chancres, their natures and influence on the system 161
——— effects of mercury on .. 162
——— mode of using it ib.
——— sores resembling, but such as are not really chancres, described 163
——— general use of mercury in syphilitic affections..... 165
——— treatment of, at full.... 166
Cheek, periodic inflammation, cured by the sulphate of quinine, case of..... 18
Cholera Morbus, papers on..275, 363
——— treatment of .. 364
Chordee, treatment of..... 323
Cleobury on Friction, review of 142
Cooper, Sir Astley, and the Borough pupils 215
Crampton, Mr., biographical sketch of 22
——— defence of..... 215
Croton oil lozenges, value of.... 410
Cynanche tonsillaris described .. 71
——— its predisposing causes ib.
——— exciting causes of .... ib.
——— symptoms of..... 72
——— terminations of ..... ib.
——— medical treatment of .. 73
——— mental ditto..... ib.
Cynanche laryngea described.... 73
——— symptoms of..... ib.
——— post-mortem appearances of..... 74
——— prognosis of 171
Cynanche trachealis, or croup.. 74
——— symptoms of.... ib.

D

Diabetes cured by bloodletting, case of..... 408

PAGE.

Diarrhœa, its nature and effects 365
——— treatment of ..... ib.
Diseases, table of, at the Hôtel Dieu 374
Dislocation of the shoulder forwards, case of 159
Dysentery, its nature, &c..... 266
——— treatment of..... ib.
Dunglison, on the Diseases of Children, review of..... 110

E

Ear, inflammation of, caused by larvæ in the external meatus, case of 18
Edinburgh Medical and Surgical Journal, review of 203
Erinensis, sketches of Irish Practitioners.....22, 300

F

Fauces, inflammation of its membrane 70
Fever, infantile remittent, its nature, &c..... 360
Fistula in perinæo described.... 389
——— treatment of.. 390
Fly Flap, No. 1. 272
Foreign Department, consisting of translations of surgical cases, operations, and physiological experiments by Continental practitioners.. 18, 56, 84, 153, 210, 248, 275, 297, 374, 407.
Fossil bones, discovery of 156
Fractures, general description of, 100
——— cases demonstrative of a particular mode of treatment, 102
——— their non-union, causes of, explained..... 129
——— treatment to be adopted 130
——— compound, their nature, &c..... 131
——— method of reduction .. ib.
——— general treatment of .. 132
——— with hæmorrhage, described 133
——— treatment of..... 134
——— oblique compound, with projection of bone ..... ib.
——— method of its reduction 134
——— comminuted compound, described ..... ib.
——— rule for amputation.... 135
——— of the spine, case of .. 349

G

PAGE.

Glass, ground, its utility in destroying intestinal worms demonstrated 217
Gonorrhœa, its nature, &c..... 293
——— treatment of..... ib.
——— consequences of, to the system..... 321
Grainger, Mr., dinner to, account of 120
Guy's Hospital, reports from..31, 92, 121, 156, 219, 251, 348.

H

Hancock's Essay on Instinct, review of 47
Herpes nasi, its nature, &c. 38
——— exedens nasi, described ..... ib.
Hepatitis, its nature and influence described 362
——— acute and subacute, explained ..... ib.
Hernia, strangulated, case of .. 221
——— femoral, case of, 381
Hospital Reports.....31, 32, 63, 92, 94, 121, 156, 219, 251, 285, 317, 348, 381.
Hunterian Oration delivered by Mr. Norris..... 193
Hydrophobia, its nature, &c.... 394
——— treatment of..... 395
——— value of superacetate of lead 343
——— case of 285

I

Ilium, ulceration of the mucous membrane of, described..... 267
——— morbid anatomy of..... ib.
Inflammation of the membrane of the fauces and air passages described 70
——— of the lungs, pleura, and pericardium, described.... 136
——— their exciting causes explained 137
——— symptoms of, in cases of the lungs and pleura.. 138
——— morbid appearances of, as regards the lungs 130
——— ditto of the pleura 140
Inflammation of the membranes of the stomach and intestinal canal 232
——— marasmus, caused by..... 233

PAGE.

Inflammation, exciting causes of, explained 235
——— remedial treatment of..... 238
——— of the mucous membrane of the colon and upper part of the rectum..... 267
——— of the large intestines 334
Intestines and vena cava, case of rupture of 253
Iodine, tincture of, in cases of Gonorrhœa, its value 119
Itch, its nature and character .. 38
—— treatment of..... ib.

J

Jacob, Mr., biographical sketch of 300
Joe Burniana, or strictures on the *Luminary* of Middlesex Hospital.....188, 288, 311

K

Kidneys, inflammation of, described 397
——— symptoms of.. 398
——— treatment of.. 401

L

Larynx, inflammation of the membrane of, its nature, &c..... 75
Latham, on Diseases at the Penitentiary, review of 402
Letters to the Editor on medical abuses.....62, 215-250
Literary intelligence 247
Liver, inflammation of, described 359
Lizars's Anatomical Plates, Part 7, review of 370
London Medical Society, Oration at, and remarks on 306
Lungs, inflammation of, described 137
——— symptoms of..... 139
——— morbid appearances of..... ib.
——— treatment of..... 169

M

Marasmus in children, its nature, &c. 233
——— treatment of.... 238
Marshes, history of diseases arising from..... 214
Materia medica, paper on..... 154
Medical profession in France, remarks on the state of 410

PAGE.

Mechanical injuries, effects of, described 68
——— treatment of.... 69
——— process of adhesion in cases of..... 70
Middlesex Hospital, reports from 63, 94, 126, 254, 413.
Mills, on the Nature and Origin of Fever, review of..... 147
Muco-gastritis acute, symptoms of described 262
——— diagnostic marks, as distinguishable from Sero-gastritis 263
——— treatment of..... 329
——— subacute, symptoms of..... 263
——— treatment of..... 334
Muco-Enteritis subacute, and of the small intestines, symptoms of, described..... 264
——— treatment of..... 328
——— acute, diagnosis between it and acute sero-enteritis described 264
——— symptoms of..... 265

N

Nodes venereal, their nature, &c. 259
——— treatment of.... 260

O

Œsophagus, mucous membrane of the, paper on its appearances 84

P

Pericarditis, diagnosis of 141
——— morbid appearances of 142
——— value of percussion in cases of ..... ib.
——— utility of the stethoscope in cases of..... 142
Peritonitis and Sero-enteritis, diagnosis to distinguish each variety 265
——— treatment of..... 333
Physiology, experiments in, by Magendie 19
——— lecture on, at the Royal Institution..... 249
Physicians, society of, strictures on 240, 280
Pleura and Pericardium, inflammation of, described 136
——— symptoms of.... 137
——— morbid appearances of..... 140

PAGE.

Pleura and Pericardium, treatment of 167
Poisons, their nature, varieties, and influence on the system described 231
——— morbific animal ..... ib.
——— of rabid animals 394
——— treatment of..... 395
Pneumonia and pleuritis, diagnosis of 141
Porrigo lupina, its nature, &c... 38

Q

Quinine, sulphate of, cure effected by, in inflammation of the cheek 78

R

Rectum, inflammation of the, described 266
Review of Blundell's Physiological and Pathological Researches 6
——— Hancock's Essay on Instinct 47
——— Spur's Thoughts on the present character and constitution of the Medical Profession 76
——— Dunglison, on Diseases of Children..... 110
——— Cleobury, on Friction.. 142
——— Mills, on the nature and origin of Fever 147
——— Beck's Elements of Medical Jurisprudence..... 172
——— of the Edinburgh Medical and Surgical Journal..... 203
——— Boyle's Treatise on Moxa 208
——— of the Westminster Review 336
——— Scudamore, on Gout .. 366
——— Lizars's Anatomical Plates, Part 7 370
——— Wallace, on Diseases of the Skin 370
——— Latham, on Diseases at the Penitentiary 402
——— Black's Student's Manual..... 294
Reviews from the West..75, 147, 203, 336, 370.

S

Sarsaparilla, analysis of..... 154
Scrofula, its nature and character described 67
——— treatment of..... 68

PAGE.
Scalds, their nature, &c..... 225
——— treatment of 226
Scudamore on Gout, review of.. 366
Senses, hallucination of the, papers on 277, 297
Sero-gastritis acute, symptoms of 263
——— subacute ditto 261
——— enteritis acute, of the small intestines, described 264
——— treatment of..... 331
——— subacute, symptoms of 265
——— treatment of 334
——— muco subacute, diagnosis between it and subacute sero-enteritis 266
Simon Pure, cut up of, by Mr. Brougham *306
Sketches of the Medical Profession in Ireland.....22, 301
Skin, diseases of the, described 36
——— medical treatment of ib.
—— affections of, producing ulcers 37
—— porrigo lupina, described .. 38
—— herpes nasi and herpes exedens nasi, described..... ib.
—— itch, its nature and treatment 38
—— tinea, its nature, &c 39
—— treatment of..... ib.
Spinal cord, acute and subacute, inflammation of..... ib.
——— indications of, described 40
——— diagnosis of, its similarity to rheumatism..... 41
——— treatment of..... ib.
Spur, on the present character of the Medical Profession, review of 76
Stethoscope, its utility in inflammations of the lungs..... 142
Stomach Pump, case of its successful use 157
——— history and engraving of..... 225
Stomach, mucous membrane of, its appearances when healthy, papers on 56, 84
Strictures, their nature, &c. described 323
——— general treatment of.. 325
——— medical ditto 353
St. Thomas's Hospital, reports from....32, 94, 124, 157, 220, 253, 285, 350, 381.
Syphilis, pseudo, described 261
——— treatment of..... 262

T

PAGE.
Syphilis, diseases resembling, described 289
Tarsal bones, amputation of the, case of 159
Testicle, swelled, treatment of.. 322
Thoracic duct, obliteration of, case of..... 153
Tic Douloureux, its nature and influence, described..... 34
Tumour, sarcomatous, on the back, extermination of one 154
Tyrrell *v.* The Lancet, verbatim report of this trial *289

U

Ulcers, their varieties described 1
——— indolent, their nature, &c. 2
——— medical treatment of.... 3
——— cases illustrative of a particular method of treating 4
——— constitutional treatment of ib.
——— when distinguished by some morbid peculiarity..... 6
——— treatment of these..... ib.
——— varicose, their nature, &c. 33
——— nervous affections attendant on, described..... ib.
——— produced by affections of the skin 37
——— hæmorrhage from, its treatment 99
——— of the right leg, case of.. 220
Urethra, irritation of, described 327
——— diseases affecting the prostate gland 350
——— diseased, occasional consequences of..... 357, 385
Urine, retention of, its nature and consequences..... 387
——— treatment of.... 389
Urinary organs, constitutional origin of the diseases of 390
Uterine hæmorrhage, use of citric acid in cases of..... 300

V

Venereal sore throat, its influence, &c. 252
——— eruptions, described .. ib.
——— poisons, effects of on the system 257
Vipers, bites of, their nature and virulence 396
——— treatment of ..... ib.
Vision, new theory of..... 248

W

PAGE.
Wallace on Diseases of the Skin, review of 370
Westminster Medical Society, strictures on 330
——— Review, review of .. 336

U

V

PAGE.
Wounds, union of, by adhesion, described 97
——— treatment of 98
——— hæmorrhage from, treatment of ..... ib.
